OUTCLASS ELEGANCE

THE ATTRACTIVE HYBRID

Get ready to add seduction into your game. All New Toyota Camry combines advanced technology and sophisticated design to create an attractive low emission vehicle. Smart but irresistible, the new definition of elegance.

MORE THAN POWERFUL AND EFFICIENT

Embrace the advantages of Toyota Hybrid System. New powerful engine and top-notch Hybrid technology make a better driving experience, time to outsmart the road.

○ Feel the Serenity

Hybrid uses silent electric motor that switch to conventional engine smoothly, designed for a more peaceful drive.

○ Benefit More Than You Expect

Efficiently save your fuel without having to pay more for a service when compared to conventional car.

○ Accelerate with Ease

With instant torque and a faster response, the take-off becomes more efficient and more in-control.

○ Experience a Gentle Ride

Smoothly ride in your adventurous journey with a controlled braking and more advanced automatic gear change.

○ Conquer Every Road

Enjoy any road, anywhere with a more powerful drive and stronger pull at lower revs.
